**Forecast for Wednesday 17 Jul 2024**

**Weather:** Some fog patches and low cloud possible. However this will soon lift and clear to leave a fine day with plenty of sunny spells. A few afternoon showers may develop, but easing again into the evening.

**Chance of cloud-free hill tops above 600m:** 70%, soon rising to 90% or higher.

**Low cloud and visibility:** Fog patches and low cloud covering summits above 400-600m will lead to poor visibility in places. Otherwise very good once this has cleared, though dropping to moderate where showers pass through.
